COREL
Paint Shop Pro® X

PC Magazine
4 ½ Stars out of 5!

"Corel has kept virtually all of Paint Shop Pro's formidable power. But the interface has undergone a drastic transformation, making the program easy on the eyes and much easier to use."

"It's a very good choice for enthusiasts, business users, and even pros who need image-editing muscle without the high price of Adobe Photoshop." - *September 6, 2005.*
