

Corel Freedom Graphics License

for Government

Never before has it been so easy for government customers to license a complete graphics productivity suite, to leverage industry-leading compatibility, productivity and ease of use—and do it all with no contract.

The Corel Freedom Graphics License is a multi-product plan that makes it easy and cost efficient to adopt and maintain graphics software. It is a one-year volume licensing solution designed for customers with 100+ seats and is available at a suggested retail price of \$155 US/\$195 Cdn per seat. The second-year renewal term is available for \$54 US/\$68 Cdn per seat.

The value you get with a Corel Freedom Graphics License is unmatched. Value is realized through industry-leading compatibility, productivity, ease of use, functionality and price. From the information worker to the technical graphics designer, Corel's complete graphics solution provides every business user with the tools they need and your organization with a license that is flexible and easy to maintain.

Simply put...

- One license
- No contract required
- Volume pricing
- Complete set of graphics applications
- Market-leading compatibility
- Ease of use

This program was designed for organizations, like yours, interested in lowering desktop costs for graphics and ensuring that the right tools exist for the workforce. There is a simple license structure available today to meet your organizational needs and cost-of-ownership goals, and it includes Maintenance to ensure upgrade protection and support.

Increase productivity and ease of use, make compatibility a non-issue, decrease costs, simplify license administration, reduce product overlap and streamline support with the **Corel Freedom Graphics License for Government**.

COREL[®]

CorelDRAW® Graphics Suite 12

CorelDRAW® Graphics Suite 12 introduces intelligent drawing tools for producing more creative and accurate graphics. Discover new and advanced features that increase productivity, and keep your workflow smooth with industry-standard file compatibility. With graphic design, page layout, digital imaging and motion graphics software, it is the ideal graphics suite for Windows®.

Corel® DESIGNER® Technical Suite 12

Designed to streamline your workflow and fit within your budget, Corel DESIGNER® Technical Suite 12 delivers all the powerful technical graphics software you need in one easy-to-use solution. The suite combines precision drawing and photo-editing tools with industry-standard file format compatibility so you can accelerate your design and production processes.

Corel® Painter™ IX

Corel® Painter™ IX—the world's most powerful Natural-Media® painting and illustration software—features unique digital brushes, art materials and textures that mirror the look and feel of their traditional counterparts. Corel Painter IX highlights include the revolutionary Artists' Oils Painting System, Snap-to-Path Painting, Quick Clone for photographers, and brushes that perform up to 10 times faster than in previous versions.

Corel® KPT® Collection

Corel® KPT® Collection, a natural addition to Corel PHOTO-PAINT® or Adobe® Photoshop®, gives professional designers an unprecedented set of plug-in filters—quite literally stretching the boundaries of image editing, and enabling designers to create remarkable effects and transformations in a fraction of the time it once took.

Corel® KnockOut 2

Corel® KnockOut 2 preserves fine image details—including hair, smoke, shadows and water—that were once impossible to mask precisely. Compatibility with Adobe Photoshop, Corel PHOTO-PAINT and Corel Painter make Corel KnockOut 2 a seamless addition to a digital graphics toolbox.

Corel® Grafigo™ 2

Designed specifically for Windows® XP Tablet PC Edition, Corel® Grafigo™ 2 uses shape recognition, symbols and templates to allow mobile workers to create and annotate graphics on the fly.

Paint Shop® Pro™ 9

Paint Shop™ Pro® 9 is the premier tool for affordable, professional image editing. With superior photo editing power, precision graphic design and advanced digital art capabilities, Paint Shop Pro is the software for people whose creativity has no limits. Featuring highly customized workspace options and streamlined production tools, Paint Shop Pro provides advanced tools for advanced imaginations.
