Fay Sirkis is an internationally-recognized Portrait Artist, Photographer, and Instructor. She is a New York-based Contemporary Digital Artist, with a background in traditional fine art. Her work is featured in Corel's Painter Masters Art Gallery, as well as their numerous ad campaigns. Her commissioned portraits and paintings are held in private collections internationally, and also exhibited in museums and art galleries. Fay is best known for her simplistic way of teaching, making the learning curve in the digital world easier to master.

Digital Training Wheels for the Digital Painter

Introducing Digital Training Wheels for the Digital Painter. To help even the novice achieve beautiful Watercolor and Oil Paintings, Fay has created an assortment of DVDs loaded with valuable tools for the Photo Painter. These DVDs are a valuable aid to be used with Painter Essentials 3. The tools have been designed to take full advantage of the amazing Cloning Brushes that Painter is best known for.
