Painter Creativity

Jeremy offers a variety of educational products and classes that help you learn Painter as well as expand your creativity. Jeremy's teaching is always entertaining, engaging, enthusiastic and well-structured, and balances technical skill-building with artistic development and expression. With Jeremy you will be encouraged to stretch your creativity in new and exciting ways and you will learn to loosen up on the digital canvas and paint "outside the box". You will find Jeremy's demonstrations and examples inspiring and educational. As a master of color Jeremy helps you take your use of color to another level. Whether working from photographic reference or painting from direct observation or making art from scratch, you'll find Jeremy's instruction a great catalyst for growth. To keep posted of Jeremy's most recent books and DVDs please visit his educational web site. You will also find listed there his forthcoming classes and seminars.
