

COREL® Painter™ Essentials 3

Karen Sperling

www.artistrymag.com

Karen Sperling has been involved with Corel® Painter since day one. She wrote the manuals for the first several versions of Painter, and has written several Painter books and published a printed Painter magazine, 'Artistry', which evolved into the e-zine, 'Artistry Tips and Tricks'. Karen's Painter tutorials have also appeared in 'Photo Electronic Imaging' (PEI), 'SBS Digital Design', 'Professional Photographer Magazine' and 'Rangefinder'. Karen currently teaches Painter at her Artistry Painter Retreats. Karen has taught Painter since the program's debut to everyone from freelance artists and professional photographers to staff members of major motion picture companies, design firms, greeting card companies, and newspaper and magazine publishers. She has led seminars and demonstrated Painter in venues including American Film Institute, Macworld, Seybold, SIGGRAPH, and the Professional Photographers of America. Her photos, art, and illustrations have been published in books and magazines, and her paintings and commissioned portraits are held in private collections around the world.

Now it's **easy** to
turn your **photos**
into stunning
paintings!

Karen Sperling's 'Artistry Tips and Tricks' tutorials and classes

To learn how to turn photos into paintings in Corel Painter Essentials 3, subscribe to 'Artistry Tips and Tricks', an e-zine written and published by Painter Master Karen Sperling.

Each month, 'Artistry Tips and Tricks' provides both art concepts and step-by-step tutorials for creating paintings in Corel Painter Essentials 3.

Paintings by Karen Sperling from photos by Raymond Moy, M.D. and Mary Wynn Ball.

Topics covered in the step-by-step tutorials include:

- How to paint in the style of various artists like Rembrandt, Hopper, and Monet
- How to choose colors
- How to paint faces
- How to paint hair
- How to adjust lighting and add textures
- How to paint landscapes and seascapes
- How to add information in a painting that is missing in the photo
- How to paint clouds
- How to paint foam
- How to paint water
