With its many legal-specific tools, WordPerfect® Office 12 is a feature-rich office productivity suite that includes leading word processing, spreadsheet, presentation and address book applications. The professional version also features Paradox®, a relational database application. Compatible with popular file formats such as Microsoft® Office, PDF, HTML and XML, WordPerfect 12 simplifies file exchange and streamlines workflow. Give your legal firm exceptional value with this powerful, easy-to-use office suite.

FEATURE RICH

- **Boost your productivity** – Harness the trusted power of WordPerfect® 12 for word processing, Quattro Pro® 12 for spreadsheets, and Presentations™ 12 for multimedia slide shows. The suite also includes an address book for managing contact information. The Professional version also features Paradox®, a relational database application.
- **Legal toolbar** – Get one-click access to all core legal tools, including the Pleading Wizard, Document Review and Compare, Watermarks and publish documents to the EDGAR™ file format.

- **Format-rich legal documents** – Enjoy full control over paragraph numbering, outlines, bulleted lists and tables. Preview formatting changes with RealTime Preview and view formatting codes with Reveal Codes to save time when editing.

Reveal Codes and the PerfectExpert™

- **Navigation control for long documents** – Move through long documents quickly and easily using features such as Document Map, Autoscroll, Navigation buttons and Browse by control.
- **Microsoft® Outlook® integration** – Access your Outlook address book from within WordPerfect 12 to create envelopes and labels, and routing slips for document tracking.
- **Macro support** – Choose between two macro languages: PerfectScript™ and Microsoft® Visual Basic® for Applications 6.3.
- **Powerful graphics tools** – Enhance word-processing documents, spreadsheets and presentations with 3D charts, tables and clipart images, and even your own designs.
- **CrossTab Reports** – Sort and filter large amounts of information in Quattro Pro 12. These reports are similar to Microsoft® Excel PivotTables.
- **PerfectExpert™** – Let this versatile Online Help utility guide you through everyday tasks and detailed projects. It's a utility geared toward users that are new to WordPerfect Office. Learn how to write documents for work, school or personal use. Plus, get tips on writing and giving speeches, as well as how to make presentations and documents look professional.
- **New! WordPerfect OfficeReady** – Organize, preview and access all your WordPerfect Office 12 templates in one easy-to-use browser. The suite also includes links to 40 new templates and gives access to many more via the Internet. **
- **New! WordPerfect Wireless Office Suite, Powered by ZIM** – Get mobile today! Two-way SMS text messaging and mobile phones keep you connected with your office—anytime, anywhere. Send e-mail and instant messages easily no matter where you are.

COMPATIBLE

- **Enhanced! Compatibility with Microsoft® Office** – Share information and collaborate with colleagues and clients who use Microsoft® Word, Microsoft® Excel and Microsoft® PowerPoint®.
- **New! Compatibility toolbars** – With the click of a button, publish documents to PDF, HTML, XML, Microsoft® Word, Microsoft® Excel and Microsoft® PowerPoint®.

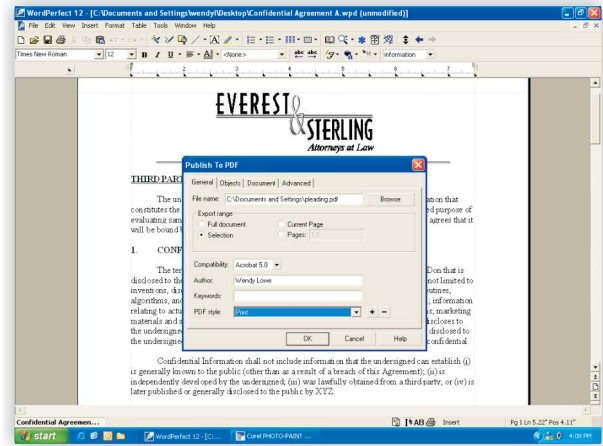

- **New! Workspace Manager** – Tailor the user interface to suit your particular needs. Choose from interfaces designed specifically for legal customers, the classic Corel® WordPerfect® 5.1 interface, and familiar Microsoft® Office-style interfaces.

- **Backward compatibility** – Enjoy seamless access to data stored in legacy documents. WordPerfect maintains the same file format for versions 6.1 to 12 and can open WordPerfect files as far back as 4.2 and 5.1.

- **Publish to PDF** – Generate PDF documents quickly from WordPerfect 12 and Presentations 12 without having to purchase Adobe® Acrobat® or other PDF-generating tools.

VALUE PRICED

- **Value-priced licensing** – With two flexible programs to help ease license administration in your legal firm, we make it easy to purchase the Corel software you need, reduce software deployment time, and lower total cost of ownership.
- **Flexible upgrade eligibility** – Upgrade from previous versions of WordPerfect Office and Microsoft Office, or from other Corel products.

Created in CorelDRAW Graphics Suite 12

**WordPerfect Office 12 will open the vast majority of files created in Microsoft Word, Excel and PowerPoint. Due to differences in the applications, on occasion a file may not open and in some cases formatting may not be identical. Whenever possible, Corel has made attempts to correctly convert files. Corel cannot guarantee full compatibility with future versions of Microsoft Office. WordPerfect Office 12 has been designed to open and save files up to Microsoft Office 2003. WordPerfect Office 12 is a product of Corel Corporation and is not manufactured, distributed or endorsed by Microsoft Corporation.
