Get great-looking photos

Create unique slide shows

COREL® Snapfire™ plus

Ignite photo fun with Corel® Snapfire™ Plus! The only multimedia software that allows you to organize, edit and share your photos and videos! Tap into your creativity with the Snapfire Plus creative photo projects or create and share stunning Snapfire Shows with your photos and videos. There's even effortless organization, one-click fixes, retouching tools, and automatic backups of your photo and video collections making Corel Snapfire Plus the easiest way to work with your digital photos and videos.

Works with
video!

Corel® Snapfire™ Plus is the fun alternative to the software that came with your digital camera. With smart organization, quick photo fixes and entertaining slide shows, it's never been so fun and easy to share your photos!

ENHANCE

Enhance photos with a few clicks

- Give yourself and others an instant makeover using the easiest photo-retouching tools ever!
- Whiten teeth and remove blemishes in one click, and even paint on a tan
- Improve your photo's brightness and color in seconds

CREATE

Create unique photo projects

- Make a movie using your photos and video clips—you can even add cool transitions and background music
- Create scrapbook pages, cards, collages and calendars in minutes—a great way to make personalized gifts!
- Make your photos unique—convert them to black & white or sepia and add fun decorations with just a click

Share all the photo fun

- Send stunning slide shows to friends and family
- Share **video clips** taken with your digital camera—it's easy!
- Email photos as attachments or place them right in an email for quick viewing
- Print 4x6, 5x7 or wallet-size photos—fast!

SHARE

Organize photos effortlessly

- Easily download from camera to computer
 - View a slide show of your photos and fix brightness and color as you watch
- Give your photos different star ratings, plus add captions and tags
- Use Photo Trays to set aside the photos you want to work on later

ORGANIZE

Protect your memories

- Keep your digital memories safe from a computer crash or virus—never lose another photo!
- Backup your entire photo collection to CD or DVD discs in just two clicks
- No additional burning software needed

PROTECT

Download a **FREE 30-day fully-functional trial** of Snapfire Plus at www.snapfire.com
