

One of the many reasons people love to work at Corel is our people. We're passionate about what we do and who we do it for. Others are drawn to our creativity and unwavering commitment to excellence. So if you're looking for a great place to work, a place where you can make a real difference, find out if this exciting opportunity is for you.

We are looking for a full-time User Experience Designer to create exceptional user experiences for our Graphics and Digital Media products. Located in Ottawa, the enthusiastic and talented individual in this key position will report to the Director of Product Design and will be accountable for designing products that delight millions of users across the globe.

Responsibilities:

- Synthesize and translate customer and business needs into meaningful requirements
- Work with technical teams to break down new requirements into manageable components that may be delivered with the right level of user value and quality
- Design unique and compelling solutions for end-users, communicated in the form of stories, use-cases, wireframes and mock-ups
- Design the workflow and user interaction of all solutions to be implemented

Qualifications:

- Bachelor's degree in Human Computer Interaction, Architecture, Graphic Design, Industrial Design, or other related design field
- Strong interaction and visual design skills
- Strong oral and written communication skills
- Excellent organization, multi-tasking, and prioritization skills
- Strong attention to detail
- Proven ability to deliver against tight deadlines
- Solid understanding of devices and platforms, including iOS, Android, Windows, MacOS

Assets, nice to have:

- Knowledge of CorelDRAW Graphics Suite and Corel PaintShop Pro
- Experience with various graphics, photo-editing, and digital imaging tools
- Sound understanding of cameras, photography, and related digital workflows
- Experience designing for desktop, mobile, and web platforms
- Familiarity with agile development processes

About Corel

At Corel, we strive to give people the broadest choices in software and the freedom to express themselves in exciting, creative and persuasive ways. One of the world's top software companies, Corel boasts some of the industry's best-known graphics, productivity and digital media products. Our lineup includes CorelDRAW® Graphics Suite, Corel® Painter®, Corel® PaintShop® Pro, Corel® VideoStudio®, Corel® WordPerfect® Office, Pinnacle Studio™, Roxio Creator®, Roxio® Toast® and WinZip®.

Corel offers a competitive compensation and benefits package.

To apply, please send in your resume in a PDF format to careers@corel.com indicating the job you are applying for.

We wish to thank all applicants for their interest and effort in applying for this position, however, only candidates selected for interviews will be contacted.
