

CorelDRAW® Home & Student Suite X6 now available

*Versatile and User-Friendly Applications, and Helpful Learning Resources Enable
Anyone to be a Designer*

Maidenhead, UK – Thursday 6 September, 2012 – [Corel](#) today announced the launch of the Home & Student version of CorelDRAW® Graphics Suite X6, a complete graphics suite offering robust content, graphic design, illustration, page layout, web graphics and photo-editing features. Featuring a powerful typography engine, enhanced photo-editing tools and advanced text support, this latest version of CorelDRAW® Home & Student Suite provides anyone, from students to families, with everything they need to easily create reports, drawings, flyers, logos and more. With a dedicated range of learning tools included in CorelDRAW Home & Student Suite X6, it's easy to get started and anyone can be a designer. CorelDRAW Home & Student Suite X6 is only for non-commercial projects, and entitles users to up to three installations per household for just £99.99 VAT included.

New features and enhancements

The new features and numerous enhancements included in the latest suite are:

- **Advance Typography tools:** Create beautiful layouts with advance typography tools.
- **New Creative Vector Shaping tools:** Creatively add effects using four new vector shaping tools – Smear, Twirl, Attract and Repel.
- **New Smart Carver™:** Remove unwanted areas from an image while simultaneously maintaining the photo's aspect ratio.
- **Improved Page Layout Capabilities:** Create design layouts with ease using new and improved Master Layer functionality, Alignment Guides, Interactive frames and much more.
- **Redesigned Object Properties Docker:** Save time, fine-tune designs and get access to the object settings in one centralized location.

What's included in CorelDRAW Home & Student Suite X6:

- **CorelDRAW® Home & Student X6**, an intuitive vector-illustration and page-layout application
- **Corel® PHOTO-PAINT™ Home & Student X6**, a professional image-editing application
- **Corel® PowerTRACE™ X6**, a utility to quickly and accurately convert bitmaps into editable vector graphics
- **Corel® CONNECT™**, a full-screen browser to search the suite's digital content on a computer, local network, or disc and stock imagery from iStockPhoto® and Fotolia
- **Corel CAPTURE™ X6**, a one-click screen capture utility

Users also receive 1000 high-quality clipart and digital images; 100 high-resolution digital photos; 100 fonts, 100 professionally designed templates and 400 frames and patterns.

CorelDRAW Home & Student Suite X6 also includes learning tools as valuable video tutorials, helpful tips and tricks, insights from the experts and an inspiring electronic guidebook.

Availability and Pricing

CorelDRAW Home & Student Suite X6 is now available in English at a suggested retail price (SRP) of £99.99 (VAT included), through Corel's authorized resellers. The use of the software is for personal, non-commercial purposes only.
