

WinZip® to Hit One Billion Downloads

WinZip Says Thanks with Free WinZip® Courier™ 3.5 Giveaway and HDTV Prize Draw

Maidenhead, UK – Thursday 23 August, 2012 – [WinZip Computing](#), a Corel company, is on its way to achieving one billion downloads of WinZip® within the next four weeks. As a thank you to its customers, WinZip is celebrating with the Countdown to One Billion Downloads Giveaway. From now until Friday 14 September, 2012, download WinZip 16.5 for Windows from www.winzip.com/giveaway to receive a free, full version of WinZip® Courier™ 3.5 and a chance to win a 60-inch Samsung TV.

In today's world of sharing and online storage, users need a better way to manage the size of their files and keep the information they save in the cloud secure. WinZip draws on its core strength as the number one zip software to deliver the power of compression and security to where it's needed most – email, mobile, social media and online. More relevant than ever, WinZip's offerings include apps for Windows, Mac, iOS, Android and Windows 8 on its way, along with the ZipSend™ and ZipShare™ online services.

“Every month, millions of people download WinZip on their favorite device or turn to our ZipSend and ZipShare services to easily and securely share and deliver information. As we celebrate the amazing achievement of our first billion downloads, our latest generation of products and services bring together WinZip's core strengths of compression and security with the collaboration of the Web,” Patrick Nichols, President of WinZip Computing.
