1. If you already have Paint Shop Pro Photo X2 Ultimate installed on your computer, you may use your serial/purchase key to activate the program.
2. Open Paint Shop Pro Photo X2 Ultimate and then close it. You should get a dialogue box with a

button labeled “**Enter Serial Number**”.

3. Click the button **Continue**.

4. Enter the serial key on the space provided. Click **Connect**..

The image shows a software activation dialog box titled "Paint Shop Pro Photo" with a close button (X) in the top right corner. Below the title bar is a dark header with the text "Corel® Paint Shop Pro® Photo X2 Ultimate". The main content area contains the following elements:

- A text prompt: "Please enter your serial number:" followed by a text input field containing a redacted serial number.
- A prompt: "Then choose the most appropriate option below:"
- Three columns of options:
 - Connect to Internet?**
Connect to the Internet to activate your product. Corel Account sign-in may be required.
A button labeled "Connect".
 - Working off-line?**
Contact a Corel Customer Service representative in your area to activate the product.
A button labeled "Phone Corel".
 - Already have an activation code?**
Enter your Activation code below and choose continue to proceed.
A text input field for the activation code.
- At the bottom right, three buttons: "Back", "Continue", and "Cancel".

5. Another dialogue box will appear asking you to **save** the activation details to file or **print**. Choose one of these options to ensure you have a backup copy of your activation code for future use.

6. Your program is now activated.

If you do not have an internet connection or if you encounter problems during the procedure, enter the serial key and click the **Phone Corel** button so we can assist you with regard to this process.

If you receive errors when activating, or are not able to access the screens outlined above, please contact Customer Support Services, and an agent can assist you with the activation process.
