Corel's promotions, which extend to other products in its software range such as Corel Painter 11, Corel Painter Essentials and Corel WordPerfect X4, come just in time for Christmas 2009. “What is more Christmas is first and foremost about memories. Products like Corel Paint Shop Pro Photo X2 Ultimate and VideoStudio Pro X2 Ultimate allow users to catalogue, edit and share memories from photos and videos taken during the festive season. It’s never been a better time to master a new hobby, without spending a fortune.”
