

**FOR IMMEDIATE RELEASE**

## **Corel Introduces CorelDRAW® Home & Student Suite X5**

*Award-Winning Graphic Design Software For Home Use at an Outstanding Price*

**Maidenhead, UK – 6 September, 2010** – Corel Corporation today unveiled a home and student version of its award-winning flagship product, CorelDRAW® Graphics Suite X5. Priced at just £99 including VAT and for installation on up to three PCs per household, CorelDRAW Home & Student Suite X5 is excellent value, providing all the tools user need to create amazing designs or layouts for home or school projects. The new graphics suite is loaded with tools for creating everything from web graphics and T-shirt designs, to logos, cards, posters and flyers.

Thanks to the extensive collection of content included in the Home & Student Suite, users can easily explore their creative ideas and turn them into amazing results. Included are 1,300 clipart images, 14 design templates and over 140 OpenType® fonts. The new built-in content search tool Corel® CONNECT™ allows users to find graphics, templates, fonts and images on their desktops and selected websites. Moreover, the suite incorporates new photo effects, such as Vibrance to boost colour intensity, and Photo Filter to simulate different camera filters. Last but not least, users can get web graphics right the first time with the new Pixel view mode and Export for Web dialogue box. The software includes a printed full-colour Getting Started Guide plus two hours of training videos to get started easily and fast.

**CorelDRAW Home & Student Suite X5 includes following main applications:**

- **CorelDRAW® X5:** an intuitive vector-illustration and page-layout application
- **Corel® PHOTO-PAINT™ X5:** a professional image-editing application
- **Corel® PowerTRACE®:** a utility to quickly and accurately convert bitmaps into editable vector graphics
- **Corel CAPTURE™:** a one-click screen capture utility

- **Corel® CONNECT™**: find graphics, templates, fonts and images instantly on your computer and selected websites with a built-in content search tool
- **PhotoZoom Pro 2**: a plug-in that preserves photo quality when enlarging digital images in Corel® PHOTO-PAINT™ (registration required)
