

For Immediate Release

Corel Announces WordPerfect® Family Pack 5! *Powerful Home Computing Software Now Available*

London, UK – August 6, 2003 – Corel Corporation (NASDAQ: CORL, TSX: COR) is pleased to announce the immediate availability of WordPerfect® Family Pack 5, a premiere suite of software applications designed for easy-to-use home computing and priced right for family budgets.

WordPerfect Family Pack 5 offers seven easy-to-use applications for £54 SRP exc. VAT. These applications give families instant access to software that can help them manage household finances, develop family budgets, create polished school reports, letters and recreational projects, and enhance photos and share them on the Web.

“WordPerfect Family Pack 5 offers incredible value for families,” said Brett Denly, vice president, global marketing at Corel Corporation. “We’ve combined valuable applications and priced the package attractively for families who need new tools for learning and creating.”

Security and privacy are important elements for home computing. WordPerfect Family Pack 5 includes tools to ensure families have a safe and enjoyable experience.

WordPerfect Family Pack 5 offers the following applications:

- **WordPerfect®** – powerful word processing for creating impressive looking resumes, letters, school reports, newsletters and more
- **Quattro Pro®** – versatile spreadsheets to manage family finances by keeping track of budgets, calculating payment schedules, creating charts or importing spreadsheets
- **Corel® Photobook®** – easy digital photo editing to retouch favorite photos, like removing red eye or adding effects. Create personalized photo albums, email pictures, create slide shows, screen savers or wallpaper for your computer
- **Encyclopedia Britannica® 2003 Ready Reference™** – comprehensive electronic version of the world’s most respected encyclopedia includes more than 25,000 entries on art, history, literature, politics, science, sports and more
- **iClean® by Aladdin Systems** and **McAfee® VirusScan Home Edition 7.0**– advanced virus and privacy protection against viruses, unwanted spam, pop-up windows and unwanted intruders

- **Family Tree Maker® 10 by Genealogy.com®** – trace your family history and create unique family trees to display your legacy using this top-rated genealogy software
- **Task Manager** – get up and running with the enhanced Task Manager that gives you quick and easy access to all the WordPerfect Family Pack 5 applications, start special projects, organize your files, and get online help with the click of a mouse!

Also included are 5,000 clipart images, 1,000 fonts and more than 180 professional photos.
