Corel Announces *Creative Summer Blockbuster!*

Company Releases Six Updated Graphics Offerings with New Look and Lower Price

London, UK July, 2003 – Just in time for summer, Corel (NASDAQ: CORL; TSX: COR) has announced the upcoming availability of a new lineup of powerful, fun and affordable software. With a new look and lower price, this lineup includes some familiar favorites as well as some brand new applications designed to help customers enhance their creativity.

“We can’t wait for customers to see what we have in store with our newly updated line of graphics offerings, designed specifically to address their needs,” said Steve Houck, executive vice-president, partner relations at Corel. “With award-winning graphics technology, an updated look and lower prices, there’s no better time for customers to unleash their creative energy and explore the possibilities provided by Corel’s software.”

Corel’s *Creative Summer* lineup will be available at retail, via mail-order catalogues and e-commerce sites this summer. It will include the following titles:

► **NEW! Corel Print House® 6** – For weddings, graduations, birthdays and summer barbecues - Corel Print House 6 is the fastest, easiest software application for getting your special event organised or creating fun projects with your family! A brand new release, Corel Print House 6 helps capture your imagination to create unique scrapbooks, greeting cards, calendars and more. Corel Print House 6 is the ideal creative partner for producing virtually any kind of graphics project quickly and easily. Pricing; □33.00 / £25.00 - SRP exc VAT.

► **NEW! Corel® Photobook™** – Corel has re-energised Micrografx Picture Publisher® Digital Camera Edition by giving it a fresh new face as Corel Photobook. Fast, fun and easy to use, it lets you capture, enhance, organise and share your digital photos. Pricing; □33.00 / £25.00 - SRP exc VAT.

► **Corel R.A.V.E.™ 2** – Web sites come alive with Corel R.A.V.E. 2. Available for the first time as a stand-alone application, Corel R.A.V.E. 2 enables users to easily add interactive Flash animations and inject excitement into their Web site. Pricing; □33.00 / £25.00 - SRP exc VAT.

► **Corel® Bryce® 5** – Known for its power and ease of use, professionals and enthusiasts love using this graphics tool to create stunningly realistic 3D landscapes and animations. This innovative software application is an ideal way to integrate 3D technology into the creative process! Pricing; □84.00 / £64.00 - SRP exc VAT.

► **NEW! Corel® KPT® Collection** – For years, professionals and enthusiasts alike have delighted in combining Kai’s Power Tools plug-in filters and Adobe® Photoshop®. Now, we’ve

combined the effects in KPT 5, KPT 6 and KPT® effects™ to give you an unprecedented set of creative effects. Pricing; €84.00 / £64.00 - SRP exc VAT.

► **Corel® KnockOut 2** – Corel KnockOut 2 lets users preserve fine image details that were once impossible to mask precisely. It speeds up the entire design process by accurately defining complex objects more quickly than other masking techniques. An ideal plug-in for Adobe® Photoshop®, Corel PHOTO-PAINT® or Corel® Painter™ 8. Pricing; □67.00 / £48.00 - SRP exc VAT.

Corel's *Creative Summer* product releases demonstrate the company's strong commitment to its channel partners and to providing award-winning software that offers incredible power, versatility and exceptional value. They will be introduced in Europe, the Middle East and Africa in August 2003, with French and German releases of Corel Print House 6 and Corel Photobook coming in September 2003.
