

Corel Celebrates 20 Years of Design Innovation with Special CorelDRAW® Anniversary Edition

Corel Launches International Design Contest

Maidenhead, UK – 3 February 2009 – Corel Corporation (NASDAQ: CREL; TSX: CRE) today introduced a special anniversary edition of CorelDRAW Graphics Suite to mark 20 years of design innovation with CorelDRAW. It will be available in nine languages worldwide, including English, German, French, Dutch, Italian, Spanish, Brazilian Portuguese, Polish, and Russian.

What's Included:

The special anniversary edition includes CorelDRAW Graphics Suite X4, a Wacom® Intuos® 3 A6 Wide (4x6) pen tablet and new Corel® Painter™ Sketch Pad sketching software in one complete package. With this package, users can lay the base for amazing designs using the pen tablet and sketching software, then apply professional illustration, page layout, photo editing and tracing by opening files in CorelDRAW Graphics Suite X4. The special anniversary edition is available at a recommended price of £386 or £232 for upgrade (both prices excl. VAT) online at www.corel.com and through Corel's global channel partners in limited quantities.

CorelDRAW Graphics Suite X4

Corel's award-winning suite provides users with the tools, resources and confidence to tackle a wide variety of projects - from logos and Web graphics, to multi-page brochures, to high impact signage and digital displays. New text and page-layout enhancements, market-leading file format compatibility, and an expanded collection of high-quality content make this powerful suite the ultimate design partner, helping users turn inspiration into stunning results.

Corel® Painter™ Sketch Pad

New to the Corel portfolio is Corel® Painter™ Sketch Pad: a first step in creating digital art. Designed to help users lay the base for amazing designs, this focused sketching software gives users the tools they need to quickly get ideas out of their head and onto the page. Designed to work with a pen and drawing tablet, Sketch Pad recreates the

natural feeling of sketching and painting by hand. Organised like a real sketchbook, you can flip through and review your sketches.

Wacom® Intuos® 3 pen tablet

The third generation of Wacom's Intuos 3 gives you more freedom, efficiency and precision than any other professional Wacom pen tablet.

Corel International Design Contest

Corel today also introduced an International Design Contest, open to current and new CorelDRAW Graphics Suite users around the world at www.corel.co.uk/coreldrawdesigncontest and closes on 31 May 2009.

The International Design Contest features six entry categories including:

- Advertising/Marketing;
- Promotional/Personalization
- Vehicle Wraps
- Textile/Fashion Design
- General Illustration and Fine Art.

There is also a separate category for student submissions. Winners in each category will receive a prize pack, and the overall grand prize winner will receive a Roland® VersaCAMM™ VP-540 printer/cutter. The winning entries will be announced in July 2009 and displayed on www.coreldraw.com, the CorelDRAW community site.
