

FOR IMMEDIATE RELEASE

Corel® Paint it!™ Now Makes iPhone® Photo Art Fun

Free Corel Apps for the iPhone® and iPad® Turn Photos into Paintings in Just a Few Taps

Maidenhead, UK - January 6th, 2011 – Following on from the successful launch of Corel® Paint it!™ Show for the iPad® in October 2010, Corel today released a free iPhone® photo app. Corel® Paint it!™ Now, allows you to snap, paint, share and turn your photos into realistic digital paintings. Simply take a picture or select one from your image library and watch as it is painted, brushstroke by brushstroke. Whether on holiday or just capturing a random moment, this fun photo app will have you sharing painted iPhone masterpieces with just a few taps.

iPhone® Photo Art Worth Sharing!

Corel Paint it! Now, transforms your iPhone photo collection into a digital art gallery ready to share with friends and family. Just take a new picture with your iPhone camera or choose one from your image library and watch your photo develop into a work of art. Share instantly on Facebook®, Flickr® and email, or save to your Camera Roll. With 5 different painting effects, Paint it! Now is the easiest way to create realistic photo art on your iPhone.

“Following the great response from Corel Paint it! Show for the iPad, we wanted to deliver a similar experience for iPhone users. With several painting effects to choose from, Paint it! Now is an engaging app that creates artistic masterpieces to show off your iPhone photos,” said Nick Davies, General Manager of Graphics & Productivity Software at Corel. “With a free iPhone and iPad app, we invite you to get creative and have fun with your photos!”

Corel Paint it!™ Show for iPad® Now Free

Corel Paint it! Show, the photo painting slideshow app for the iPad, released in October 2010 is now available for free! Offering a fun way to show your favorite photos from Facebook and the iPad photo library, Corel Paint it! Show automatically turns your pictures into a customizable slideshow of painted masterpieces, right before your eyes. The newest version of Corel Paint it! Show now also supports iOS 4.2, offering faster painting speeds and a built-in progress bar to indicate when a painting is complete. In addition, the new

version offers an easy paint-and-share option so you can share your latest masterpiece in seconds.

App Availability

Corel Paint it! Now and Corel Paint it! Show are both available as free apps in English throughout various markets worldwide from Apple's App Store. Corel Paint it! Now is available to iPhone 3G, 3GS, 4, and iPod® touch 4th generation users running iOS 4 or higher. Corel Paint it! Show is available to iPad users running iOS 3.2 or higher.
