

COREL OFFERS 10% OFF CorelDRAW® GRAPHICS SUITE 12

CorelDRAW Graphics Suite 12 now over 50% cheaper than other suites

London, UK – 6 April 2005 – Corel, a leading technology company specialising in graphics and office productivity software, today announced a 10% discount offer on the price of CorelDRAW Graphics Suite 12 for its customers.

All customers will receive £40* off the standard full edition price of CorelDRAW Graphics Suite 12** between 1st April and 30th June 2005. The offer is available through all of Corel's sales channels including its resellers and online eStore. The award-winning image-editing and design software package usually offers great value at £359 but with this offer, the price is cut to £319.

"CorelDRAW Graphics Suite 12 has always been excellent value for our customers – whether they are individuals or small businesses – and this offer makes it more than 50% cheaper*** than some of the other leading professional graphics packages," says Dan Weisbeck, marketing director, international – Corel. "Using Corel software, it has never been easier to create professional-looking graphics and documents at truly affordable prices – it's like a complete design agency in a box."

To take advantage of this offer, readers should visit the Corel UK website – www.corel.co.uk – for a list of resellers and further details. Alternatively, customers can go to their leading resellers for more information on this unbeatable deal.

- CorelDRAW® Graphics Suite 12 - the first intelligent graphics suite for graphics design and illustration, page layout, vector drawing, photo-editing and motion-graphics. This suite enables users to work faster and more effectively, it is easy-to-use and it offers excellent value for money.
