Corel Wins Best Software Award at RetailVision Europe Fall 2005

Attending Retailers and Distributors Vote Corel as Winner

Maidenhead, UK – 3 November 2005 – Corel Corporation is delighted to announce that it has won the 'Best Product: Software' award at RetailVision Europe's awards ceremony. Corel® Paint Shop Pro® X was voted top in the software category by leading retailers and distributors in the European PC and consumer electronics marketplace.

Held during the RetailVision Europe Fall 2005 Event, 18 – 20 October in Dublin, Ireland, the "Best of RetailVision Europe Awards"™ recognise vendors' technology innovation and channel strategies. More than 130 attending retail channel executives from across Europe voted on the winning products from over 60 entrants.

"We are honoured to receive this highly acclaimed award, said Amanda Bedborough, executive vice president, Corel International. We believe it is testament to the innovative, first-rate products that we develop at Corel and demonstrates our strong relationship with our partners. We are thankful to all those retailers and distributors that voted for us."

"The Retailers and Distributors that attended RetailVision Europe evaluated numerous award nominations. With the most votes from the attendees, Corel was identified as a leader in the software category," said RetailVision's Global Senior Director, Pete Prentice.

"RetailVision Europe" is produced by Vision Events®, a Gartner, Inc. (NYSE: IT and ITB) company in co-operation with Levin Consulting.
