Team up with us!

COREL™
Training Partner

The **Corel® Training Partner** Program gives independent third-party training centres the opportunity to attain official recognition by Corel.

As an accredited **Corel Training Partner** you are eligible to purchase Software at a greatly reduced price, receive unlimited free Technical Support, and, via our Online Training Partner Search there is a link from the Corel website directly to your organisation. Furthermore, you can advertise your strong alliance with Corel through the use of the official Corel Training Partner Logo and Certificate.

The Benefits of a membership in the **Corel Training Partner** Program are as follows:

Corel Training Partner Logo
You will receive the official Corel Training Partner Logo for use on your website and in your sales and marketing materials.

Corel Training Partner Certificate
You will receive a Certificate to prove your official recognition by Corel.

Listing in Corel Partner Online Directory
Customers searching for Training Providers on the Corel website will find your organisation in our Online Partner Search.

Recommendation by Corel Customer Support Services
Your company is recommended to customers who contact Corel with enquiries about Training providers.

Option to purchase Corel software at a considerably reduced price
As an accredited Corel Training Partner you are eligible to purchase Corel Software at a greatly reduced price. For details and pricing please see page 2.

Unlimited Technical Support
You get unlimited Free Technical Support via email.

Further Reduction for additional sites
If your organisation has multiple training locations, you will receive a 10% discount on all further membership and CTP Site License fees.

To join the **Corel® Training Partner** Program just sign up online at www.corelpartners.com, or fax back the form on page 4. If you have any questions about the program, please email us at emeatraining@corel.com.

The Products in detail:

CorelDRAW® Graphics Suite 12
Get it right the first time with CorelDRAW® Graphics Suite 12! With new smart design tools, it's easier and faster to create more accurate shapes and objects—giving you a more powerful Windows® graphics suite. Discover new and advanced features that increase productivity, such as real-time visual feedback. Keep your workflow smooth with industry-standard file compatibility, including Microsoft® Office export. With applications for design, page layout, digital imaging and motion graphics, this suite offers value that's second to none.

Paint Shop™ Pro® 9
Paint Shop™ Pro® 9 is the premier tool for affordable, professional image editing. With superior photo editing power, precision graphic design and advanced digital art capabilities, Paint Shop Pro is the software for people whose creativity has no limits. Featuring highly customized workspace options and streamlined production tools, Paint Shop Pro provides advanced tools for advanced imaginations.

Corel® Painter™ IX
Corel® Painter™ IX—the world's most powerful Natural-Media® painting and illustration software—features unique digital brushes, art materials and textures that mirror the look and feel of their traditional counterparts.
Corel Painter IX highlights include the revolutionary Artists' Oils Painting System, Snap-to-Path Painting, Quick Clone for photographers, and brushes that perform up to ten times faster.

Corel DESIGNER® Technical Suite 12
Designed to streamline your workflow and fit within your budget, Corel DESIGNER® Technical Suite 12 provides all the powerful technical graphics software you need in one easy-to-use, intuitive solution. Corel DESIGNER Technical Suite 12 combines precision drawing and photo-editing tools with industrystandard file format compatibility so you can accelerate your design and production processes.

Corel KnockOut 2
Corel KnockOut 2 lets you preserve fine image details that were once impossible to mask precisely. An ideal plug-in for Adobe® Photoshop® and Photoshop Elements 2, KnockOut 2 fits seamlessly into your workflow, and lets you capture complex imagery from liquid, glass and ice to hair, smoke and fire with absolute precision.

Corel® KPT® Collection
The Corel® KPT® Collection gives professional designers an unprecedented set of creative Kai's Power Tools plug-in filters. A natural addition to Adobe® Photoshop® , it lets you create remarkable image effects and transformations in a fraction of the time, dramatically extending the boundaries of image editing and electrifying your creativity and productivity.

WordPerfect® Office 12
WordPerfect® Office 12 is a feature-rich, value-priced office productivity suite with word processing, spreadsheet, presentation and address book applications. Compatible with popular file formats such as Microsoft® Office, PDF, HTML and XML, it streamlines your workflow. Robust and easy to use, it's an office suite that translates into great value!

Corel Ventura® 10
Add visual impact to your business documents with Corel Ventura® 10. Ideal for transforming long, complex files into highly formatted and visually rich publications, it offers enhanced stability and compatibility to keep your workflow smooth. For increased productivity and high-quality results, Corel Ventura 10 is your professional publishing solution.
