

WordPerfect®

PRODUCTIVITY PACK

Full Office Productivity at an entry level price.

Why do many of the world's largest OEMs/System Builders bundle WordPerfect®?

- Incredible cost savings over Microsoft® Works Suite®/Small Business Edition/Office
- Complete file sharing with Microsoft® Word® and Microsoft® Excel®
- Attractive upgrade pricing to the full office suite

What's Included?

WordPerfect® 11 – Powerful word processing

- Open, edit, save and share Microsoft Word files (.doc)
- Publish to PDF to ensure universal readability
- Enhanced XML integration - author, edit & publish XML documents
- Complete Pocket Oxford Dictionary with 30,000 terms
- Easily format long documents with Reveal Codes
- See formatting changes as you go with Corel Real-Time Preview

Quattro Pro® 11 – Versatile spreadsheets

- 3D charting easily converts your data into powerful visuals
- Open, edit and save Microsoft Excel spreadsheet files (.xls)
- Easily manipulate and analyze XML data in a spreadsheet
- Dynamic Cross Tab Reports (similar to PivotTables in Microsoft Excel)
- Store up to 1 million rows of data in one worksheet

CorelCENTRAL™ Address Book – Personal information management

- Keep track of your contacts in one place
- Share information with all Windows® Address Book-enabled applications and other Corel users

PerfectExpert™*** – Intuitive Help

- Handy templates for resumés, greeting cards, budgets and more
- “How-to’s” walk you through features in WordPerfect 11 and Quattro Pro 11
- Extensive reference guide to help convert files between Microsoft and WordPerfect applications
- Link to online galleries of photos, clipart images, projects and templates
