

Creative Pack Site License

Special pricing through MHEC Technology Programs

Corel has teamed up with MHEC to offer a comprehensive site license of 6 distinct Corel products for just dollars a seat. Campus-wide distribution of powerful graphics, photo and video software has never been available at these low price points.

Corel's goal is to make our product line highly affordable, allowing your institution the flexibility to replace or augment your current creative software with leading products for your faculty, staff and students. This comprehensive Creative Pack is only available through the MHEC/Corel agreement. Your entire institution will be equipped with a diverse selection of software, giving individuals access to the tools they rely on most.

Creative Pack includes:

- Products: CorelDRAW Graphics Suite, Painter , CorelDRAW Technical Suite, PaintShop Pro, PDF Fusion™ and WordPerfect Office
- 5 license levels (starting at only 1,500 students; seat count based on FTE equivalent)
- 1-year Maintenance option
