WordPerfect Office X8: Legendary Office Suite Delivers on Users' Top Requests

*WordPerfect® Office X8 boosts productivity with new enhancements to favorite tools;
Perfect Authority updated for legal users*

OTTAWA, ON – April 26, 2016 – Introducing WordPerfect® Office X8, the latest version of Corel's legendary office suite with new and enhanced features driven by customers' top requests. Power users can be more productive with improvements to the unique features they rely on including Reveal Codes, function keys, file compatibility, templates and more. For anyone who needs the power of a true office suite, the WordPerfect® Office X8 family has a powerful option for you, at the price you need.

"There may be more productivity apps around than ever, but users quickly find that most simply aren't powerful enough for businesses to rely on. Whether you're a long-time user or looking for a full-featured suite that's up to the task, WordPerfect Office X8 is an ideal choice," said Cindy Howard, Senior Product Manager, WordPerfect. "We asked our power users to tell us the most important improvements we could make in X8 for their workflow. Their answers: let me access Reveal Codes when and where I need it; give me a more visual way to see templates, and make it even easier to use my customized keystrokes. With WordPerfect Office X8, we're delivering on this and more."
