

Roxio® Game Capture™ HD PRO Gears Up for Next Gen Consoles

With Xbox One and PlayStation 4 on the way, Roxio Game Capture HD PRO to take gaming videos to the next level!

Ottawa, ON - November 13, 2013 - [Roxio® Game Capture™ HD PRO](#) is gearing up to help you create amazing, boast-worthy videos from your new Xbox One and PlayStation 4. Blowing away the capture capabilities expected in the new consoles, Roxio Game Capture HD PRO enables you to record a virtually unlimited amount of gameplay and offers a powerful video editing package to make incredible-looking movies. With Microsoft confirming support for capture devices, Roxio Game Capture HD PRO is ready for Xbox One. For PS4 users, Sony has announced an upcoming system software update to offer HDMI-based capture device support – positioning Roxio Game Capture HD PRO to become your game recording tool of choice for both these new consoles.

So much more than just capturing and sharing, Roxio Game Capture HD PRO includes video editing software for a professional look and truly impressive movies!

- Integrated voice changer lets you match your voiceover to your game
- Use the picture-in-picture feature to create movies with separate video tracks
- Choose from more than 90 awesome transitions to pull your masterpieces together
- Upload your final movies to YouTube and Facebook simultaneously or output to various formats to play on PCs and mobile devices such as tablets and phones
- With this powerful capture device, record a virtually unlimited amount of gameplay – no need to stick to just the last 5 to 15 minutes!

"Moving beyond the limited sharing capabilities of Xbox One and PS4, Roxio Game Capture HD PRO can help take your movies to the next level. Capturing your video is great, but we think the magic really comes when you can edit it into something that's creative and looks amazing," says Michel Yavercovski, Director of Product Management for Roxio.

Good news for Xbox 360 and PlayStation 3 users! Did you know customers using the current Xbox or PlayStation with Roxio Game Capture HD PRO already enjoy creative movie-making power that blows away the capture sharing capabilities in the upcoming consoles? With our device and editing software, you can do much more than simply share what you've captured. You can create awesome-looking videos that are truly subscriber worthy!
