

## **Roxio Toast 14: Easy Photo, Video and Music Sharing for Social Media and New Devices**

*Latest version of Roxio's digital media suite for Mac makes it simple to copy, convert and share photos, videos and music on mobile devices, online, burn DVDs and more*

OTTAWA, ONTARIO – (Marketwired - June 23, 2015) – [Roxio](#) introduces two new additions to its [Roxio® Toast®](#) product family—[Roxio® Toast® 14 Titanium](#) and [Roxio® Toast® 14 Pro](#). With the all-new Toast® Audio Assistant and Toast® MyDVD®, plus support for the latest devices including iPhone 6 and Samsung Galaxy S6, it's never been easier to capture, copy, convert and share your digital media.

Share to social media (Facebook, YouTube, Vimeo and Twitter), enjoy photos, videos and music on a mobile device, or burn discs for easy home theater viewing. Roxio Toast 14 is the ideal companion for iLife, iTunes and your Mac.

### **New features in Roxio Toast 14 Titanium include:**

- **New! Toast Audio Assistant:** Import audio from almost anywhere—LPs, tapes, microphone sound, or streamed—then edit, enhance and add it to your music library or burn to CD. Clean up and enhance recordings with audio filters. Capture music to iTunes automatically.
- **New! Toast MyDVD video burning software:** Turn your videos into professional-looking multimedia disc projects, complete with stylish menus and music. Burn to DVD and AVCHD in a few simple steps. Get polished results with themed templates and easily combine multiple movies on one disc.
- **New! Support for new mobile devices:** Enjoy your digital media on favorite devices with support for iPad, iPhone 6/6 Plus, Samsung Galaxy S6 and more.

### **Choose Roxio Toast 14 Pro and receive everything in Titanium, plus 6 digital media must-haves worth over \$300:**

- **Corel® AfterShot™ 2:** Quickly convert and adjust RAW images, and manage large photo collections. Includes support for 250+ RAW camera profiles.
- **FaceFilter3 Standard:** Help the people in your photos look flawless with skin smoothing and blemish removal tools, a multi-layer makeup system, DSLR and lens effects and more.
- **HDR Express 3:** Create stunning high dynamic range images with a streamlined workflow, easy controls and presets. Powerful technology takes care of common problems like camera shake, moving subjects and more.
- **FotoMagico 4.5 RE:** Turn your photos and videos into a spellbinding high definition story complete with music, transitions, text and more. Innovative text, transition and alignment tools ensure astonishing results.

- **iZotope Music & Speech Cleaner:** Experience increased impact and clarity and remove unwanted noise for professional-quality results.
- **BD Plug-in for Toast 14 and MyDVD:** Author your video to high-definition Blu-ray Disc to watch in HD on any Blu-ray player

“Whether you want to preserve a lifetime’s collection of music or give family members instant access to the kids’ latest adventures, Roxio Toast 14 keeps pace with all your digital media needs. We’ve all grown accustomed to the convenience of having our digital media at our fingertips. With Toast 14, you can enjoy all your photos, videos and music virtually any way, anywhere,” said Michel Yavercovski, Director of Product Management for Roxio.
