

## **Roxio Creator NXT 4: Easily Create, Share and Burn Exceptional Photo and Video Projects**

*With support for the latest devices and new apps Corel® AfterShot™ 2, Roxio Burn 3 and MyDVD, Creator® NXT 4 is a total solution to capture, create, share and burn photo and video projects*

OTTAWA, ONTARIO – (Oct. 20, 2015) – [Roxio](#) today introduces [Roxio Creator® NXT 4](#) and [Roxio Creator® NTX Pro 4](#), the latest releases of the industry's #1 selling digital media suite. With the addition of [Corel® AfterShot™ 2](#), get access to easy adjustments to make your photos look their best, along with powerful photo management and conversion. New Roxio® Burn 3 makes it simple to burn and copy discs from your desktop. Use Roxio® MyDVD® to easily create DVD and AVCHD video projects with image-rich menus and music. For users who want to make the most of their photos and keep the discs they burn secure, Roxio Creator NXT 4 Pro offers valuable extras including Corel® PaintShop® Pro X7 and Roxio Burn 3 with encryption.

“No other suite offers such a comprehensive collection of tools to get creative, share and burn your photo and video projects,” said Michel Yavercovski, Director of Product Management for Roxio. “With Creator NXT 4, we’re giving you more power than ever to easily create amazing images and movies and enjoy them on virtually any device. With our lives becoming more and more visual every day, the new Creator is ideal for making the most of your digital media memories.”

**The new Roxio Creator NXT 4 makes it easy to enhance and manage your photo collections, create great-looking video, and burn your projects to disc or share on the latest devices:**

- **New! Corel AfterShot 2:** Quickly convert and adjust RAW images, and manage large photo collections with Corel AfterShot 2. Fine-tune everything from color to exposure, to fill light and contrast with intuitive tools. Edit multiple versions of your photo while preserving your original with non-destructive editing. Organize and search photos by keywords, tags, your own ratings, or metadata from your camera.
- **New! Roxio Burn 3:** Burn and copy discs directly from your desktop just by dragging and dropping. Easily burn data, audio, photo or video CDs, DVDs and Blu-ray Discs. Now supports copying multiple discs using multiple drives.
- **New! MyDVD:** Experience a new and easy way to burn to DVD and AVCHD disc. Choose a themed template with menus, sub-menus and chapters, then quickly create a professional-looking video disc project complete with image-rich menus and music.
- **New! Convert video for more devices:** Convert DVD video, web video or any other video file automatically to a preferred format for playback on iPad, iPod, Xbox One and PlayStation 4. Extended video profiles let you share to the latest mobile devices and tablets including iPhone 6, iPhone 6 Plus, Samsung S6 and more.

- **Enhanced! Capture from your screen:** Record directly from your screen, then edit, save and share as a video with Live Screen Capture. It's the fast and easy way to create presentations or how-to and tech support videos. Record both system audio and microphone sound with ease. New in this version, record Windows 8/10 apps in action with Snap Capture View.
- **Enhanced! FastFlick™:** Make a movie or slideshow in minutes with FastFlick. Quickly find the best part of your video or photo with the new Adjust tool.

**Roxio Creator NXT Pro 4 builds on your photo editing and burning capabilities with an extended collection of valuable applications including:**

- **NEW! PaintShop® Pro X7:** Take advantage of professional-quality photo-editing and graphic design with PaintShop Pro X7.
- **New! Roxio Burn 3 with encryption:** Roxio Creator NXT 4 Pro includes a special edition of Roxio Burn 3 with added encryption and file protection to keep the content on your DVDs safe.
- Extras also include: iZotope Music & Speech Cleaner, WinDVD®, and HDR Express 3.
